Many international students and researchers at NAIST take big personal steps in their lives, getting married, starting a family and raising their children in Japan. The Center for International Students and Scholars (CISS) will present information concerning spouse visas, giving birth, daycare and school entry, etc. and will explain what support is available for international students, staff, researchers, etc. Questions will be fielded after the explanation.

Date & Time:
March 29th (Mon.)
15:00 - 16:00

Please Register here by March 25th

For inquiries, please contact CISS (ciss@ad.naist.jp)
