

Earthquake Survival

in English and Japanese

Brought to you by
Nara Prefecture International Citizens Support Center,
Nara Pref. Emergency Management (Bousai) Society,
& NAIST

Living in Japan means living with earthquakes. The right information and knowing what to do can save lives. The Nara Prefecture International Citizens Support Center has arranged for professional hands-on earthquake demonstrations and how to survive them, in cooperation with NAIST and the Nara Pref. Bousai Society. Please learn more about being safe in Japan!

*This event is for NAIST international students, staff, and their families.
