

Dear new students,

Submission of Written Pledge of Compliance with NAIST Rules and Regulations

Upon admission to NAIST, students are required to submit a written pledge to abide by NAIST rules and regulations (including the Security Export Control Regulations and other related rules in major NAIST regulations concerning students). Please fill in your name and other information on the attached Pledge Form, affix your seal (or signature), and submit it together with the enrollment documents.

Be sure to refer to the major NAIST regulations concerning students on our website at the URL below, which contains specific student-related regulations that we particularly want students to understand at the time of enrollment and ask them to comply with throughout their studies at NAIST.

If you have any questions regarding this, please contact the Student Support Section.
