To all faculty, staff and students

Measures concerning the new coronavirus during the year end and New Year holidays

The new coronavirus infection is spreading around Japan and if you become infected or come into contact with someone who is infected during the year end and New Year holidays (NAIST holidays: Dec 29th - Jan 3rd), please contact your immediate supervisor (laboratory head, etc.) and alert s/he of your condition and situation as soon as possible.

Please make sure you know your immediate supervisor's contact information. If you are unable to contact your immediate supervisor, please contact the Disaster Prevention Center directly. (See below)
