To all faculty, staff and students

Measures concerning the new coronavirus (COVID-19)
(Feb. 20th announcement)

We have been announcing information about the measures concerning the new coronavirus (COVID-19) (Feb. 5th announcement) and would like to add some general measures in order to prevent any spreading of the new coronavirus domestically. If you have any of the cold-like symptoms listed below, please consider your condition when deciding to come to NAIST so as not to hinder your recovery.

Additionally, if you are diagnosed as having the coronavirus at a medical facility, please follow the directions given to you and contact the Crisis Measures Headquarters.

Remember, if you have any concerns about your health, please contact or visit the Health Care Center on campus.

Symptoms:

1. Cold-like symptoms or a fever over 37.5°C that lasts for more than 4 days (includes cases when you need to take medicine for the fever for the same amount of time)
2. Weariness, fatigue, breathing difficulty

We thank you for your understanding in this matter.
