

To all students, faculty and staff,

About the new corona virus infection

Thank you all for your cooperation in preventing the new corona virus infection as the infection continues to spread. we would like to remind everyone to take the following measures once again.

If you have a fever or are feeling unwell, please do not come to campus.

Please call in advance and visit your local doctor for diagnosis and treatment, including PCR testing if necessary. Also, please ask your doctor when you can return to campus.

If you have had a PCR test or antigen test, please make sure to contact your laboratory and also the Health Care Center.

※An internet search for "生駒市 PCR 可能クリニック" will bring up a list of clinics where you can take the PCR test around campus. Please make sure to call if they offer PCR test beforehand.
